Grapes manual and mechanically harvested

VINIFICATION

- Minimal crushing at low temperatures (2°C) in light contact with the grape's skins in the press.
- Partially fermented in new barrels and with an aging period of 6 months.

ANALYSIS

Alcoholic content: 13%

Total acidity: 5,5g/L; pH:3,3

Reduction sugars: 1,7 g/L

TASTING NOTES

The two grape varieties, Arinto and Antão Vaz, the most important white grape varieties in the region, in harmony with Viognier, introduce this wine a complexity of aromas and flavors that are ideal for a wine that is conceived to be at the table. The light maceration, the wood present but not overwhelming and the lively acidity, make this wine an ideal one to be at the table with strong-flavored and structured dishes.
